➤ **Admission Requirements**

- For students graduating in 2021 and entering their freshman year in the fall of 2021 our application is test optional. If you choose to apply test optional, ACT/SAT test scores *will not* be required or considered when your application is reviewed for admission to the University.
- Mount St. Joseph University conducts an individual, comprehensive review of each candidate's credentials for admission, including but not limited to the following:
 - College prep high school curriculum
 - GPA
 - Standardized test scores (if not applying as test optional)
 - Evidence of leadership
 - Extracurricular involvement
- We look at each student as an individual, taking into consideration personal background, attributes and life circumstances. We look for students who will contribute to, and benefit from, the Mount's educational programs and activities. For more details regarding our comprehensive review visit our [Admission Requirements](#) page.
