The Succeed Program

The UMSL Experience

With more than 16,000 students, UMSL is the largest public research university in eastern Missouri. It provides excellent learning experiences and leadership opportunities to a diverse student body whose influence on the region upon graduation is immense.

UMSL is spread across 470 acres in suburban St. Louis County. It has a mix of modern and historic academic buildings as well as a variety of student residence halls, condominiums and apartments. It's the perfect setting for students to gain unique insights from outstanding faculty and work experience from internships at companies and organizations found only in this world-class metropolitan region.

While UMSL graduates can be found in all 50 states and countries around the globe, their greatest impact is felt right here in St. Louis. More than 75,000 UMSL alumni call the St. Louis region home. They drive the region's economy and contribute mightily to its social well-being.

Program Initiatives

The Link Program

Piloted in 2018 with one student, Link is a support structure featuring all pillars of Succeed, for degree seeking students. Link features weekly coaching sessions with a Link Advisor, and now supports over

Succeed Plus

Succeed Plus is an optional third year of Succeed after graduating with the Chancellor's Certificate. This third year focuses on expanding and enhancing vocational skills and experiences, while allowing additional transition time out of college.

2020 TPSID Grant Recipient

The Succeed Program has been awarded a fully funded grant of 2.1 million dollars from the Department Of Education specifically to provide post-secondary educational opportunities for people with disabilities.
