

Madison College

Quick Facts about the College/University

We're the smart choice for your future

Your decision to attend Madison College will lead you to great things. We are the [#1 source of UW-Madison transfer students](#) and a leader in workforce training. Whether your goal is to transfer to a four-year institution or begin your career, starting your path at Madison College is a wise move.

Diverse career options

Explore [more than 180 programs](#) across [11 areas of study](#). Choose from short-term certificates, technical diplomas and two-year associate degrees.

If you are undecided, apply to an [area of study exploratory path](#) that pertains to your interests. Take a semester to explore your options while you earn degree credit. Plus, our flexible course options allow you to go at your own pace.

Help paying for school

We proudly offer one of the lowest tuition price tags around. However, not everyone can cover those costs out of pocket.

Like many of our students, you may qualify for financial aid. We also encourage you to apply for a Madison College scholarship and to check out unique programs like Scholars of Promise.

At Madison College we are committed to helping you [pay for school](#) so you can meet your goals.

Application Process for School

MATC offers many open access programs that are always accepting applications, so start the admission process today!

Application Process for Students w/ Disabilities

Being accessible to all students matters to us

Students with disabilities are a valued and integral part of the diverse Madison College Community, and 1,100 students use [Disability Resource Services](#) at MATC.

We work with you to provide an accessible and supportive learning environment with individually designed accommodations. If you are a student with a disability, you can expect Madison College to be accessible and provide as much support as possible on your educational path.

Programs/Services Offered by the Disability Services Office

Why Madison College is the Smart Choice

- We offer the [Transition First course](#), which explores the critical issues linked to the transition to college for students with disabilities.
- We provide the [latest assistive technology](#), offer classroom and [testing accommodations](#) and have plenty of [parking](#) and accessible entrances at [all of our campuses](#).
- We help you become an advocate for your learning and provide additional programs such as [TRiO](#) to help you get started -- and complete -- your college education.
- We promote what it takes to be a successful student and provide [valuable information to parents](#) regarding their role in this process.
- We help you prepare for life after college as a person with a disability.
- All [military veterans](#) at Madison College also receive access to and services from the college's [Disability Resource Services](#) team, if needed.
