Honors Scholar

The Honors Program at Notre Dame College is a select community of scholars dedicated to depth and independence of thought, engagement in creative endeavors, commitment to the local and global community and the celebration of learning.

STEMM

Students in the STEMM@NDC program can expect to be part of a course-based learning research experience. You will have STEMM specific internship opportunities, a chance to publish peer-reviewed abstracts and external research involvement. STEMM@NDC will help you expand your critical thinking, communication and professional skills. Scholarships and Living Learning Communities are available.

Moot Court

An interdisciplinary experiential program that addresses real life situations in a legal setting. You will be challenged every day and have the opportunity to compete on a national level. Students who participate are likely to receive scholarships to law school.

3+3 Law

The 3+3 Law Program offers qualified undergraduate students the opportunity to accelerate and earn both a bachelor's and juris doctor degree in just six years. In today's highly competitive academic and professional worlds, the advantages of the 3+3 Program are significant.

Engineering (Binary Program)

Students have access to a premier engineering program in conjunction with the benefits of a liberal arts education. Choose from 12 areas of engineering and complete two degrees in 5 years. NDC partners with Case Western Reserve.

Nursing

Pre-Licensure Bachelor of Science, Online RN to BSN & Master of Science in Nursing Education

- Affiliation with premiere healthcare institutions in the Cleveland area
- Small class sizes with experienced faculty
- Active National Student Nurses Association Chapter
- Nursing Honor Society Chapter affiliation
- Opportunities for international travel

The Academic Support Center provides personalized support well above those required by law for those students with documented learning disabilities. The center offers comprehensive services that help break down barriers to learning and aids students to the obtainment of their academic and career goals. By focusing on students' capabilities not disabilities, the center empowers students to access the curriculum, master their courses and move on to successful careers or high learning opportunities.

The Center provides the following services:

- Weekly progress advising meetings
- Subject-specific tutoring by professionals
- Weekly standing appointments with tutors
- Distraction-reduced testing environment
- In-house counseling services
- Coordination with Cleveland Clinic professionals in First Year Falcon Class
- Interface with career counselors for Professional Engagement Program (PEP)
- Transition to college summer program
- Develop life skills through social and emotional support activities and events

NDC COUNSELING CENTER

MISSION: The Notre Dame College Counseling Center (CC) is committed to providing excellence in psychotherapeutic services to promote student health and safety, personal growth and academic success. The CC provides an open and safe environment to encourage self-awareness, personal responsibility and healthy interpersonal relationships within a diverse and dynamic campus community. The CC is continually engaging in collaborative efforts throughout the campus community toward creating a meaningful and respectful learning environment in which to live and thrive.

How to Access: By appointment 5 days a week & emergency on call access 24/7; ndccounseling@ndc.edu or appointment link on webpage; call 216.373.7459; drop in group meetings available

Features: Two locations (Connolly Hall and ASC); Therapy dog “on staff”; services confidential and safe
